Let NiceRx handle the process for you

At the best of times, these programs are extremely difficult to comprehend, have complex eligibility criteria and require multiple follow up calls and interactions with both the doctor's office and the pharmaceutical manufacturer. NiceRx works hard to push the process forward using cutting-edge technology to seamlessly progress your application from creation to enrollment.

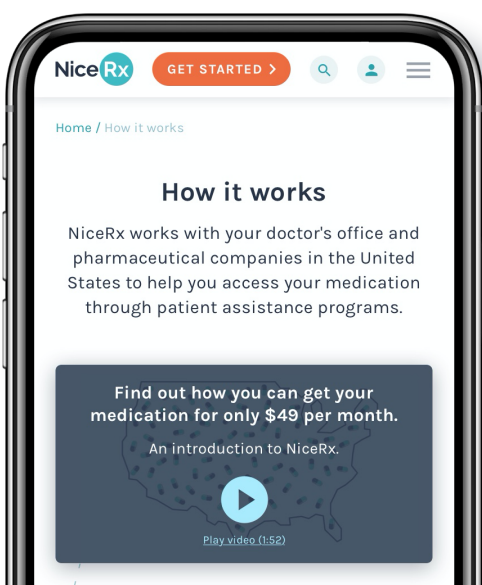

NiceRx handles absolutely everything so you don't need to worry.

Start the process now at
www.nicerx.com

No setup fees. No hidden costs.

Visit www.nicerx.com/how-it-works to watch a short video introduction to our service.

The whole process is managed for you from start to finish:

- 1 Submit a free enrollment form on our website, www.nicerx.com
- 2 The NiceRx proprietary software system optimizes access to over 200 Patient Assistance Programs
- 3 NiceRx submits the completed paperwork to the U.S. pharmaceutical manufacturer
- 4 You receive your medication directly from the U.S. pharmaceutical manufacturer
- 5 NiceRx has a dedicated team managing the refill process so the next medication refill is requested before you run out
- 6 You receive your medication on time, every time, for the duration of the enrollment

All for just \$49 a month per medication.
There are no hidden costs.

Application process and initial medication delivery is typically **4-6 weeks**. Once enrolled in a Patient Assistance Program, we will request the medication refills for you.
